

Brains can be flexible too!

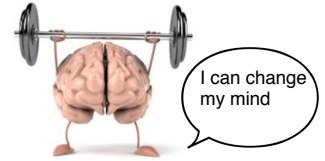

FLEXIBLE THINKING

Situation	Rock Brain Reaction	Flexible Brain Reaction
Your playing Angry Birds and your mom says, " It is time to stop playing on your iPad. Let's get ready for school."		
Your playing with legos and your dad says, " Please make your bed."		
Your teacher says, " Please raise your hand to speak." after you yell out an idea.		
Your watching your favorite movie and your sister says, " mom told me to tell you it is time for dinner."		
You are at a firends house and the mother says," It is time to clean up and go home."		

Brains can be flexible too!

FLEXIBLE THINKING
